

Club-person of the Year 2012- Joan Colgan

Blackrock A.C. could have no better acolyte and ally than Joan Colgan. Throughout 2012 Joan has been a crowning stalwart, an enduring and permanent anchor in the clubhouse in all sorts of conditions from the icy wind and rain of our summer to the cauldron of expectant members (and their anxious parents) after we had to close our membership.

In truth no club could function without the kind of dedication, back-office support, membership administration, competition registration, clubhouse supervision etc. that Joan has provided for us ALL.

In fact such was the magnitude of Joan's commitment to the club this year that we will be calling on others to share the burden going forward of what she has taken on. They say if you want something done give it to someone who is busy and while this has served us well there is only so much one person can be expected to take on!

The Blackrock Athletic Club Junior committee acknowledge Joan's overall contribution in 2012 with this award

Well done Joan
