

Female Athlete of the Year 2012- Natasha Twomey

Natasha only joined Blackrock Athletic Club in May of this year. In that time she has demonstrated her outstanding ability in both Track & Field and Cross Country.

In her first official race she finished third in the Dublin Counties 600 metres and fourth in the All Irelands at Tullamore.

A keen tennis player and a pupil of Mount Anville, she won two of her three XC League races and finished second in the third race. Again, these achievements are hugely impressive as this was her first taste of XC running.

Having finished 4th in the Dublin Counties U13 2500 metres, she then produced an outstanding display to finish 5th in the All Irelands and in doing so helped the Dublin Inter County & Province teams to first place finishes in the team events.

Natasha's achievements in such a short space of time are a testimony to her sporting ability in general and her unquestionable work ethic and dedication to our training programme. Her enthusiasm and commitment to the club has reaped rich rewards for somebody so new to the sport.

She is a worthy recipient of this prestigious award which was presented to her by last year's winner, Sarah Healy.

Well done Natasha.
